Subject: Deficient Notice of Intention to Commence Small Mining Operations, Beck/Beck Construction Company, Fox Canyon Mine, S/049/0080, Utah County, Utah

Dear Mr. Beck:

The Division has reviewed the referenced Notice of Intention to Commence Small Mining Operations (NOI), and the following items will need to be addressed before the NOI can be determined complete:

1. Please submit the permit fee of \$150.00.
2. On Page 3, please include the address for the surface and mineral owner, Mountain Home Development.
3. On Page 4, please include a legal description. The legal description does not need to be a metes and bounds description describing in exact detail the area that has been and will be affected. Rather, it normally includes the Township, Range, and Section(s) broken down to at least the nearest quarter quarter section.
4. Please include the name of the U. S. G. S. quadrangle map on which the disturbed area is located.
5. Please include a project location map showing where the mine is located in reference to nearby features, such as public highways.
6. Please also include an operations map of a scale of about 1"=200' showing the mining operations area. This map should include any facilities, such as scales, topsoil and product stockpiles, etc.

Please provide your response as replacement pages to your original NOI.

The reclamation surety amount for a five-acre site is \$25,000.00 for a three-year escalation (amount next reviewed in 2013) or \$25,100.00 for a five-year escalation (amount reviewed in 2015). This surety can be submitted in the form of cash, a certificate of deposit, an irrevocable letter of credit, or a corporate surety bond. Forms can be obtained on the Division
